Conference Information

Check-in Tables

When you arrive at the conference, please stop in at the table for your conference at the north end of the auditorium. The six conference secretaries – or others they have designated – will man these tables. There you can check in and pick up your name tag.

Late Registration

If you did not yet register, the conference secretaries will have blank name tags you can fill out. They will also be able to check you off on their conference lists. We ask that you still use the computers in the northwest corner of the auditorium to visit the district website (www.sew-wels.net) and use the online registration form there to get yourself in the registration database.

Excuses

If you know that you will be absent for part of the conference and did not excuse when you registered, please either give a written excuse to Secretary Carter or use the online registration form to create another registration that notes your excuse. Using the online form would be preferred.

Lodging

If you signed up for lodging when you registered, you will find room assignments posted in the auditorium lobby and on the exterior doors of the dormitory. Rooms will be in Section 1 and then, if needed, the lower level of Sections 2, 3, and 4. You will find instructions for the room phones and Internet access on the desks in each room.

If you did not send your lodging payment (\$30/night) to Secretary Carter before the convention, please give your payment to one of the seminary professors serving as our courtesy committee. You should be able to find them at one of the back tables. Make your check out to “Wisconsin Lutheran Seminary.”

Meals and Refreshments

Continental breakfasts (donuts and coffee) will be provided for everyone Tuesday and Wednesday mornings. Beverages and popcorn will be available in the lobby throughout the conference.

The Tuesday meal will be served in the Dining Hall to the north of the auditorium. Seating is available in the dining hall and the grassy area to the west of the dining hall. If there is inclement weather, seating will be available in the basement of the dormitory. We have scheduled two “shifts” for lunch. Those seated in the front of the auditorium will take the Noon A shift. Those seated in the back of the auditorium can proceed to the dining hall at the time listed for Noon B.

Electronic Reports Available

Links to all the conference reports and the Book of Reports and Memorials (BoRaM) are available on the 2023 Conference page of the district’s website, www.sew-wels.net/2023conference. The 2023 Book of Reports and Memorials (BoRaM) and other Synodical reports are available at the synod convention website, www.welsconvention.net.

Wireless Internet

The auditorium is configured for wireless Internet access that you can use to access the district conference website as well as the information available at the WELS convention site. When you view your available networks, choose the one named SEWD_Guest. The password for that network is 2023SEWD.

The Seminary has greatly increased their bandwidth and number of access points, but it might still be important to refrain from as much non-conference-related Internet activity as possible, especially at times when a presentation may need to access the Internet.

Recharging Stations

Power strips for charging computers and other electronic equipment are available in the northwest corner of the auditorium.

Extra Conference Materials

There are a limited number of extra copies of the printed materials for this conference available for anyone who was not able to access them on the Internet. They are available from the conference secretaries at the back of the auditorium.

Membership List

Pages 11-30 of the Info pages contain the official membership list of the district. Every attempt has been made to make it as accurate as possible. Every called worker has been placed in the conference and circuit where they hold congregational membership. Uncertified called workers are noted in italics. If you find any corrections that need to be made, or have any other questions about the list, please inform Secretary Carter in writing or by e-mail (sewsec@gmail.com).

Seminary Bookstore

The Seminary Bookstore, which is operated by the student body to help students purchase theological books at very reasonable prices, is located in the basement of the dormitory below section 7 (in the northwest "corner" of the circle). We are trying to make arrangements to have the bookstore open at some point Tuesday evening. Watch for an announcement.

Evaluation Sheets

Please use the evaluation sheet (pages 31-32 of the Info pages) to note any comments you may have about this conference and its arrangements. These evaluation sheets may be placed in the boxes located at the head table and at the back of the auditorium. You may also fill out an online version of this form. A link to the online version is available at www.sew-wels.net/2023evaluation.

Questions

If you have any questions during the conference, please direct them to the courtesy committee at the back of the auditorium or to any member of the seminary faculty or staff.

Thank You

Thank you to Seminary Business Manager Brian Treichel, Technology Services Coordinator Jeffrey Mitchell, Building & Grounds Director Dennis Sprenger, and Food Services Director Jeannie Goljenboom and their staffs for all their help in making arrangements for this conference, to Jeff Westphal and Tammy Steers and their staff at the Westphal Group for printing materials, and to anyone else who helped in any way with anything that needed to happen to prepare for this conference.
