## SOUTHEASTERN WISCONSIN DISTRICT 54<sup>th</sup> Biennial Convention + June 11-12, 2024

### Convention Information

#### Check in Tables

When you arrive at the convention, please check in at the table for your conference at the north end of the REX gymnasium. The six conference secretaries – or someone they have designated – will man these tables. There you will find your name tag and can pick up the pencil and paper you will need for elections and the worship folder for the opening service.

#### Late Registration

If you did not yet register, the conference secretaries will have blank name tags you can fill out. They will also be able to check you off on their conference lists. We ask that you still register online at [www.sew-wels.net/2024registration](http://www.sew-wels.net/2024registration) to get your information into the registration database.

#### Excuses

If you know that you will be absent for part of the convention and did not excuse when you registered, please either give a written excuse to Secretary Carter or use the online registration form to create another registration that notes your excuse.

#### Meals and Refreshments

Continental breakfasts will be provided for everyone Tuesday and Wednesday. Refreshments will be available in the REX lobby throughout the convention.

The Tuesday noon meal will be served in the Campus Center. Because we won't all fit in the Campus Center at once, we will eat in two shifts. Those shifts will be determined by conference and circuit. Circuits not scheduled for lunch in each shift will meet for their circuit pastor elections during that shift. A schedule noting which circuits eat when and where circuits will meet for their elections is printed at the bottom of page 10 of this document.

There will be some box suppers available in Generac for any of the floor committees that would need to meet Tuesday evening.

A box lunch will be available at the back of the REX during the noon hour on Wednesday.

#### Copies Available

A limited number of copies of the Reports to the District and a limited number of packets of the reports and other convention materials for those who were not able to download them before the convention are available from the conference secretaries at the registration tables.

#### Announcements/Messages

Any announcements that need to be made or messages that come in for convention attendees will be displayed on the screens to the left and right of the stage. If you have a message to display on those screens, please talk to the people at the technology table at the back of the auditorium.

#### Wireless Internet

The REX is configured for wireless Internet access. When you view your available networks, choose the one named "sew\_conference." No logon or password is needed.

### **Power for Electronic Devices**

Cords and power strips for computers and other electronic devices are available at many of the tables at the front half of the auditorium. Cords and strips for recharging are also available at the north end of the gymnasium (behind the conference check-in tables).

### **Displays**

The synodical and para-synodical ministries and groups listed below have set up displays along the south wall of the gymnasium. Please visit their displays while you're here.

Wisconsin Lutheran College	Christian Life Resources
Wisconsin Lutheran Seminary	WELS Kingdom Workers
Northwestern Publishing House	(Jesus Cares/Meros Center)
WELS Archives / WELS Historical Institute	WELS Lutherans for Life
316NOW	A City for God / Chaplains in Schools
Christian Family Solutions	Welsmen

### **Convention Reports and Proceedings**

Copies of the proceedings of this convention will be available as soon after the convention as possible on the district's website, [www.sew-wels.net](http://www.sew-wels.net). Copies of the convention resolutions will be available there before the proceedings are finished.

### **Membership List**

Pages 27-46 of this document contain the official membership list of the district. Every attempt has been made to make it as accurate as possible. Every called worker has been placed in the conference and circuit where they hold congregational membership. Called workers who are not ministry certified are noted in italics. If you find any corrections that need to be made, or have any other questions about the list, please inform Secretary Carter in writing or by e-mail ([sewsec@gmail.com](mailto:sewsec@gmail.com)).

### **Convention Evaluations**

You may use the evaluation sheet on pages 51-52 to note any comments you may have about this convention and its arrangements. These evaluation sheets may be placed in the boxes located at the head table and the Technology Station at the back of the gym. There is a link to an online version of this form at the convention's page of the district's website, [www.sew-wels.net/2024convention](http://www.sew-wels.net/2024convention).

### **Questions**

If you have any questions during the conference, please direct them to WLC Campus Events Director Karen Plamann or her assistant Ben Siemers.

### **Thank You! Thank You! Thank You!**

Thank you to WLC Campus Events Director Karen Plamann and her assistant Ben Siemers and the rest of the Campus Events staff for all their work and help, to the Sodexo Campus Food Service staff for all the meals and morning refreshments; to Ben Leyrer of Wisconsin Lutheran High School and Tim Snyder of Wisconsin Lutheran College for their help with technology and audio; to the group of WLC faculty and staff for all their work setting up the gymnasium for this event; to the staff of Trinity Home Group for their help with housekeeping; to Jeff Westphal and Tammy Steers and their staff at the Westphal Group in Brownsville for printing the worship folders, note pads, and the packets of reports; to the conference secretaries for their help with registration; to the choirs and other musicians who glorified our God in the worship service and devotions; to the floor committees for their careful study of the topics assigned to them; to Vice Presidents Steinbrenner and Bortulin and to several members of my congregations who helped with several projects when some extra responsibilities at the end of the school year put me behind schedule in my convention preparations; and to anyone else who helped in planning and preparing for this convention.

## 54<sup>th</sup> Biennial Convention + June 11-12, 2024

### Parliamentary Guidelines

#### GUIDELINES FOR MOTIONS AND PROCEDURES ~WELS SYNOD AND DISTRICT CONVENTIONS~

##### **Main or Principal Motion**

A Main or Principal Motion introduces the business of the assembly before the voting members for discussion and final action. There can be only one Main Motion on the floor at one specific time. Debatable. Amendable. Majority vote to pass.

##### **Withdraw a Motion**

When a motion is before the group and the person who made the motion desires to withdraw it, the Chair may grant him permission to do so, provided no one objects. If anyone objects, the motion cannot be withdrawn except through a motion granting such permission by the assembly. Not debatable. Not amendable. Majority vote required for adoption.

##### **Amending a Motion**

Amendments are motions by which the motion under consideration may be clarified or amplified so that it is more suitable and acceptable. This may be done by adding, or inserting, or striking out words, phrases, or paragraphs. An Amendment may be used to divide a motion or to substitute a new motion provided it relates to the matter under consideration. In all instances the amendment is considered first and then the vote on the Main Motion. Debatable if motion to be amended is debatable. Amendable. Majority vote to pass.

##### **Amend the Amendment**

An Amendment may be amended, but only once. Amendment in the third degree is out of order. Debatable if motion to be amended is debatable. Not amendable. Majority vote.

##### **Postpone to a Definite Time**

The motion to Postpone to a Definite Time applies only to the Main Motion. It may be amended, but only by altering the time. Debatable on its own merits but not on the main motion. Amendable. Majority vote.

##### **Postpone Indefinitely**

To Postpone Indefinitely applies only to the Main Motion and questions of privilege. If it carries, the motion to which it applies cannot be brought up for consideration again during the meeting. Debatable. Not amendable. Majority vote for passage.

##### **Limit or Extend Debate**

When many people wish to speak to an action to be taken, the time granted to each speaker may be limited. A Motion to Limit Debate or to Extend Debate on a pending question is not debatable and requires two-thirds vote. When time for adjournment of a meeting has arrived and the members are in the middle of debating a motion, the time for adjournment may be extended until debate is completed and the action on the motion has been taken. Amendable.

##### **Point of Information**

All requests for information should be addressed to the Chair. The privilege of rising for a Point of Information is at times necessary and helpful for members of the assembly. It, however, is not to be abused. A member rising too often should not be given recognition by the Chair.

When asking for a Point of Information the member should recognize the Chair, states his name and say, "Mr. Chairman, a Point of Information. I would like to ask the previous speaker a question." If the Chair grants such a request, the member may ask his question. Not debatable. Not amendable. Is not voted on.

### **Parliamentary Inquiry**

A Parliamentary Inquiry is a request for the Chair's opinion on a matter of parliamentary procedure as it relates to the business at hand. If the Chair cannot answer the question, he may refer it to the parliamentarian. Such inquiry may not lead to debate or to an appeal. Is not voted on.

### **Division of a Question**

The motion to Divide a Question and then consider one part at a time is really an amendment and is subject to the same rules as an amendment. Not debatable. Amendable. Majority vote required for adoption.

### **Refer to a Committee**

If consideration of a resolution indicates that such resolution or motion is unclear, the matter may be referred back to the committee responsible for the matter or to a special committee.

A Motion to Refer is debatable. The debate, however, can extend only to the desirability of committing the main question and the proper details of the motion to commit but not to the merits of the main question. It is amendable. Majority vote required for adoption.

### **Previous Question or Call the Question**

When members begin to repeat themselves in the discussion of a motion and little progress is being made, a motion calling for the Previous Question (Close of the Debate) may be made. It demands that the motion be called immediately without debate or amendment. If it carries with a two-thirds majority, then the pending main motion or amendment to the main motion must be called. If the motion calling for the Previous Question fails to carry, discussion of the pending motion continues.

No delegate may speak on the pending motion and then close his remarks by saying, "Mr. Chairman, I move to Call the Question."

Should there be a Main Motion before the assembly as well as an amendment to the Main Motion, a motion calling for the Previous Question would apply only to the pending amendment. If the call for the Previous Question is to include the Main Motion as well, the maker to the motion for the Previous Question should say, "I move the Previous Question on the Main Motion and all of its amendments." Or "I move the Previous Question and all pending questions."

### **Lay on the Table or Tabling a Motion**

A motion to Table postpones actions on the subject pending in such a manner that it can be taken up at any time provided a motion to take the subject from the table passes. It is neither debatable nor amendable. Majority vote required for adoption.

### **Division of the Assembly**

After a vote by voice or in a large assembly by hands any voting member may call for a division of the vote, that is, a vote usually by rising or by ballot. It is in order without obtaining the floor and at any time after the question has been put, even after the vote has been announced. Does not require a second or a vote. Demand of a single voting member compels division. Not Amendable. Not debatable.

### **Point of Order**

In ordinary meetings it is undesirable to raise points of order on minor irregularities of a purely technical nature particularly if it is clear no one's rights are being infringed upon. When a voting member notices a breach of order that may do harm if allowed to pass, he may rise and without

waiting for recognition from the Chair call for a point of order. He merely says, "Mr. Chairman, I call for a point of order."

The validity of a point of order is decided by the Chair. If the member who raised the point of order is not satisfied with the Chair's ruling either the Chair or the member may appeal to the assembly for a final decision. The member's appeal requires a second. Debatable under special circumstances. Not amendable. Majority in negative to reverse Chair's decision.

### **Appeal**

If a member differs with a ruling of the Chair affecting a substantial question, he may appeal. He may say, "I appeal from the decision of the Chair." If the appeal is seconded, the chairman states the question as follows, "Shall the Chair be sustained by the assembly?" If there is a tie vote or a majority vote the Chair is sustained. Not amendable. Not debatable under certain conditions.

### **Suspend the Rules**

The Constitution and the Bylaws of the WELS cannot be suspended, even by unanimous consent. Any changes therein should be made in conformity with the Constitution. When the convention wishes to do something that it cannot do without violating one or more of its regular rules, it can adopt a motion to Suspend the Rules interfering with a proposed action provided such action is not in conflict with the organization's Bylaws and Constitution. Such rules usually relate to the details of administration rather than parliamentary procedure. Suspension of a rule for a definite purpose requires a two-thirds vote. Not debatable. Not amendable.

### **Call for the Order of the Day**

The Call for the Order of the Day takes precedence over all other motions except the motion to adjourn and a question of privilege. The schedule or addenda appearing each morning as Today's Business makes up the Order of the Day. However, pressure of time, the unscheduled interruptions of the election committee, and at times the inability of the Floor Committees to provide an orderly flow of recommended resolutions makes it very difficult for the Chairman to follow the Order of the Day precisely. The delegates are asked to allow the chairman reasonable latitude in abiding by the Order. Not debatable. Not amendable. Must be enforced on request of one member unless set aside by a two-thirds vote.

### **Raise a Question of Privilege**

To Raise a Question of Privilege is a device that permits a request or main motion relating to the rights and privileges of the Assembly or any of its members to be brought up for immediate consideration because of its urgency. Such Question of Privilege may relate to the comfort of the delegates with respect to ventilation, lighting, noise, or other disturbances, to the conduct of visitors, etc. It may interrupt a speaker if immediate action is required. Example: "I request that speakers use the microphones so that we can hear what is being said." The Chair rules on whether the privilege shall be granted subject to appeal by the delegates. Takes precedence over all other motions except the three higher-ranked privileged motions to Recess, to Adjourn, to Fix the Time to Which to Adjourn. No debate. No amendment. Chair rules on admissibility.

### **To Recess**

Has little significance for this convention since time of recess is usually set in the Order of the Day. When the time for Recess is over, delegates should return to the convention hall immediately for continuation of the session.

### **Objection to the Consideration of a Question**

The object of this motion is to enable the assembly to avoid altogether any question, which it may consider irrelevant, unprofitable, or contentious. An objection can be made to the consideration of any principal motion, but only when it is introduced. Requires no second. Cannot be debated or amended. A two-thirds vote against consideration is required to sustain the objection.

## Adjournment

When the adoption of the proposed program for the convention, the times for adjournment between sessions as well as the time for adjournment at the close of the convention have been set.

## To Fix the Time to Which to Adjourn

With the adoption of the proposed convention program, the times to which to adjourn between sessions have been set. The time to which to adjourn is the next scheduled convention of the district, unless a special convention is called in keeping with the constitution of the WELS. Majority vote required for adoption.

## 54<sup>th</sup> Biennial Convention + June 11-12, 2024

### **District Constitution Articles Pertaining to the Election of Officers and Circuit Pastors**

#### **DISTRICT CONSTITUTION ARTICLE VII Rights and Duties of the Officers**

##### **Section 1.**

The president shall be responsible for the supervision of doctrine and practice within the district. The president shall represent the district, shall supervise the execution of its resolutions and shall sign all documents issuing from the district. The president shall provide for the ordination of such candidates for the ministry who shall have graduated from the Wisconsin Lutheran Seminary or such who shall have otherwise qualified and who shall have received and accepted a call from within the confines of the district. He shall also authorize the installation of other pastors and of male teachers called by congregations within the district. He shall issue letters of transfer to such pastors and male teachers as shall enter another church body in fellowship with the synod. The president shall supervise the work of the district circuit pastors. With the concurrence of the other district officers, the president shall fill vacancies in the office of secretary and second vice president. He shall also fill vacancies on all boards and committees of the district. The president and vice presidents shall fill vacancies in the office of the circuit pastor. All appointments made are for the remainder of the unexpired term. With the concurrence of the two vice presidents, the president shall have the right to suspend a synod member from the synodical membership. Unless an appeal is pending, he shall submit a complete report of his action to the district at its next convention. With the consent of the vice presidents, the president may call a special convention of the district or change the time and place of a convention. At each regular convention of the district the president shall submit a written report on the activities of his office during the past biennium.

#### **ARTICLE VI Officers**

##### **Section 5.**

For the offices of president and vice president, only pastors active in the parish ministry shall be eligible.

**DISTRICT CONSTITUTION**  
**ARTICLE VII**  
**Rights and Duties of the Officers**

**Section 2.**

The vice presidents shall carry out such assignments the president may assign or are prescribed in this constitution. The first vice president shall take the place of the president whenever the latter shall be prevented from discharging his duties, and in the case of a vacancy in the office of the president, shall serve as president until the next convention. He shall also oversee special support provided for pastors and teachers and their widows and orphans who are in need of such assistance. In the case of a vacancy in the office of first vice president, the second vice president shall serve as first vice president until the next convention. Vice presidents shall not serve as circuit pastors. Offices vacated by election shall be filled by election at that convention for the remainder of the unexpired term.

**ARTICLE VI**  
**Officers**

**Section 5.**

For the offices of president and vice president, only pastors active in the parish ministry shall be eligible.

**ARTICLE VII**  
**Rights and Duties of the Officers**

**Section 3.**

The secretary shall record the minutes of the convention and, with the concurrence of the president and according to the instructions of the district, prepare a report thereon for publication. The secretary shall sign all documents issuing from the district, shall keep a list of all congregations, pastors and male teachers who are members of the district, shall announce all district conventions in *Forward in Christ* not less than six weeks prior to their convening and with the consent of the president may appoint such assistants as may be necessary to perform his duties.

**ARTICLE XX**  
**Duties of Circuit Pastors**

**Section 1.**

A circuit pastor shall visit each pastor in his circuit at least once every four years for the purpose of strengthening the unity of the Spirit. He shall discuss the manner in which the goals and programs of the synod are being carried out and shall offer assistance in solving local problems. It shall also be the duty of the circuit pastor to visit congregations when invited by the pastor or the congregation, or when delegated by the district president. Since the circuit pastor is not elected by the district, he is not subject to the restrictions of Article XXVI of the district constitution.
